On the 12th, off by 8. A.M. to Broad St. station, and the 8.20 train to Princeton. Cab to 22 Vandewater St. Immediately, went to register at "Old North", and at "Carpenter" House. And then, to the R.R. Station, to look for daughter May, supposing she was coming from New York. Waited myself for more than an hour, going between the station & the local terminus. After 11. A.M., went back to Miss Suley's, & found daughter arrived there. She had come from Bayhead, & had failed to notify me in time. At the table, a Mrs. Rogers & her daughter; Mr. & Mrs. Medina & 2 sons; & Miss Hillyer. Went early to the Athletic Field, & placed daughter in her seat; And I returned to the Campus by 2. P.M., & joined "The Old Guard", in their "March around the Field". Very enthusiastic; in company with Rev. J. C. Baker, '54, & — ? of '49. yesterday a motor-ride to Princeton. Breakfasted with Hugo. On 9.06. A. M. train, for New York, with my small valise, hand bag, umbrella and hat. At New York, expressed my large suitcase (which I had sent to N. Y. from Phil? on Sat.) to the Grand Central Station. Went to Continental: a writ. at once to 2^d Ave & 15th St, Technical Institute. Welcomed by daughter Mary: she introduced me to other teachers, & showed me the School. She left to go to another class, & I went to a restaurant, & hotel. Went at 2. P. M. to Mission House to look at Mission Minutes of Feb'y 1905 Meeting. Sec'y Halsey could not find them. Went to Grand Central Station, bought tickets to Adirondacks, & checked my large suit-case. Returned to hotel.

Wed'y Sept. 11. After breakfast, went to Mission House. Sec'y Halsey had found the document I wanted; and I copied the list of votes at the Mission Meeting at Batavia, Feb'y 1895, of those who were opposed to my remaining a member of the Mission. Went to daughter Mary's Bryn Mawr apartment House, 121st St, & took lunch with her.

New York City - (Sept. 1909) St Regis Lake

After lunch, went with her to N. Y. Central R. R. Express Co., & got check for her trunk. Went back to her room, but left, as she had to use the room for her dressing. Returned to hotel. Weather ~~cool~~.

Thursday 2^d. Last night, cold. Rose at 6 A.M. Breakfast in the hotel cafe at 6.30.; bill paid, & off by 7.; at the N.Y.C. R.R. Station at 7.15. Waited anxiously for daughter Mary. She had been delayed, & arrived only at the last second, just before the train left. A pleasant ride up the Hudson, & through the hills & mountains. Finally, at Lake Clear junction by 6.15. P.M.; & carriage for a half-hour to Mr. Hoar's camp. A Miss Atterbury in carriage. At the camp, welcomed by Mr. Hoar, & 3 children of his daughter, the late Mrs. Ellen Evans. At the supper table, Young Mr. & Mrs. Robert Hoar, Mr. & Mrs. Sterling, a Miss Henderson, & another lady, & young Ned Arthur Hoar. Retired at 10. P.M.

Friday 3^d. A beautifully clear day. Mr. Hoar in a small boat took me to an adjacent camp of Mrs. Tournet, to invite her for a musical entertainment in the evening. Wind still,

The boat drifted, & Mrs. Hoe's arms were not strong. We ran on a log, and then on a flag-marker, & then on a rock. On our return, Mrs. Hoe's rowing was not strong enough to resist the wind; & her mother, who was in a boat with Mary & Miss Atterbury, after taking them home, returned to meet us, & towed us safely. In evening, a Mr. & Mrs. Coates, from Phil^l, & a young lady, Miss Radcliffe, came to tea. Fear of No. 13! Afterward, singing by Dr. Evans, & brilliant playing by Miss Radcliffe, & recitations by Mrs. Coates. After they had gone, Mary was asked to exhibit her Physical Culture, but declined. A cold night.

Sat. 4th. Day clouded. Mary & I rode with Mrs. Hoe to the Station, to meet a young lady, a guest. Cold & chilly; wind. In evening, while the others were playing bridge, Mrs. Hoe, Mary, the young lady & I played dominoes. Went to my room at 10. P. M. In the afternoon, there was rain, but it did not prevent a dozen invited guests from coming to an afternoon tea, with music.

Sunday 5th A cold rainy day. But, went to church at Paul Smith's, in ^(Miss Sweet) carriage with Mr. Hor, Mary and the young lady. Did not know it was to be at an Episcopal ch. Do not enjoy the Episc. Service; & the 1st female solo singer was full of offensive tremolo. There was the Lord's Supper also; but, as the Episc. are so exclusive, & the Table seemed to belong to their arrogant Church, & they do not recognize my ordination as a Presb. Minister, I did not go to the Table, as I wd have done, to Our Lord's Table: nor would I kneel to their "priest".

In afternoon, cleared off my cold. In evening, in parlor, a good game of "20 Questions" on Biblical characters. A very cold night.

Monday 6th. Clear, & cold & windy. I had to decline Mrs Hor's invitation to go with her in the small boat, to make a call. A tiresome day; all the others were off in the boats visiting, or on the tennis court; & I was tired reading. In the late afternoon, Dr. Evans left. In evening, Mr Hor & I & Miss Gillies at dominoes; Mary reading; & all the others at cards. And they closed

the evening with a Lichenian dance. Cold night.

Tuesday 7th. Mr. & Mrs. Sterling & their children left for the early train, & Mrs. Roe rode with them to the station. She returned for a late breakfast, & was exhausted, & had to retire to her room, & a physician was summoned. Cold misty morning. Wrote letters. Consulted with Mary whether to leave before dark. In afternoon, Mary, Miss Atterbury, Miss Tweed & I were taken, by Mr. Arthur Roe, in boat, to an afternoon Tea at Mr. Hatch's. Beautifully clear cold weather. Delightful boat ride. Charming company at the Tea; met Mrs. Coates & Miss Ratcliffe, & Miss Riley of Montrose, Pa., & others. Mr. Robert Hall left in evening. In evening, had dinner with Mary, Miss Gillies & Miss Tweed.

Wed. 8th } made no entry on the 8th; think the moon
Thursday 9th } was rising or threatening; but, weather
must ^{have} cleared, for, Mary, Miss Gillies & I
took a walk in the forest. Miss Tweed,
& Miss Atterbury had left in morning.
And Miss Cleaver & Miss Benson, a grand-
daughter of Mr. Hall, arrived. In afternoon,
& friends of Mr. Newton, & Mrs. Cushman

and another lady called. Mrs Cushman a very beautiful lady. At night, Mr. Newton left.

On Thursday, weather clear, Mr. Arthur Hoe took Mary, Miss Cleaver, myself, and Nell & Robert Evans, an excursion by boat through the portages of several lakes, — then by carriage to Hammer Run. And then by carriage to Lake Clear, whither our 3 boats had been taken; & then, the 2 mile row across the Lake. Afternoon cold & threatening, & wind strong. Enjoyed the day very much. Mrs Hoe better, but confined to her room. Dominick & Annie in the evening.

Friday 10th. Morning lowering, but temperature better. The Evans children left; & Mr. Robert Hoe returned. His wife has been confined to her room for a day. Our company very quiet. Arranging for leaving to morrow.

Friday, 17th. Heavy rain last night. Clear bright day. Went to 1515, to get things I had left in my room; but, could not find them, as Bessie had put them away, & no one knew where they were. Among them was my box of keys; so, I could not get into my trunks. Took a suit of clothes to a tailor on the Ridge, to be cleaned. Went to the Post Office on 18th st, for stamps. Wrote to Baynead, to the "Greenville", asking about my clerical suit, wh. I think I left

breakfast. At Grand Central Station for 7.53
train to Saratoga. The 2 selfish young men,
keeping seats all the way to Yonkers. Train
late at Saratoga; just missed the ferry boat.
Had to wait an hour. Small view of the
River Parade; rather insignificant.
Finally, at Mr. Harlow's. But, was anxious
for Mary; so, he & I walked to the
Northern N.Y. R.R. on Erie, for the train to
at 11.35. It did not arrive until after
12 noon. Mary came on it. But, the
Parade was then past. Entertained by the
Harlow family, Mrs H. & the 2 daughters,
& a maternal uncle (Hammond?) & his
daughter. Cold afternoon. Remained
supper. Left in a hurry, forgetting my
umbrella, for the ferry at 6.30. Had to wait
at Saratoga until 8.00 P.M. Mary
alighted at 125th St station, New York,
I went on to 42nd St.; & then to the "Con-
tinental", where too late. I found her letter of
the previous day, telling me of her route.
Was very much disappointed in her, & in
her failure to answer my letter promptly; and,
in her refusal to me, though cordial to others.

Monday 4th. Waited, after breakfast, for an express-
 man I had engaged to come to N. York.

The mail came. But, by 9.30, no ex-
 press man. So, I went out, & called on my

 to 1515, & brought my Spring & Fall
 one from there too. Went down to

Wanamakers, & bought small sewing machine and Charcoal iron, to be sent to Batanga for Ekakine. Then, to the Witherspoon Minister Meeting. Rev. W. Mitchell, of Haddon Heights, N.J., read a paper on "Rosette". On return, found that the M.S. of my Memorial of Mrs. M. B. Kavan had arrived from Halliday, N.Y. Took my seamstress overcoat to be repaired. Spent the rest of the day reading over the type-written copy of the Memorial; a few corrections. Had gotten, at the Post Office, a money-order of \$23.66, to pay for it. Wrote late into the evening.

Tuesday, 5th. Some headache most of the day, some diarrhea. Wrote letters, to Miss Patton, & Rev. J. M. Patterson. And continued the correcting of the type-written copy.

Wed. 6th. Completed the correcting of the copy. Wrote letters. After lunch, sewed on repairs of my clothes. Went with the M.S. to Alex. Lane & Scott, & left it with them on estimate of \$530. ^(and has gift) for 500 copies. Went to Gutkin with 4 photographs of Mrs. Kavan; two were

Thursday 7. Weather warmer. Letter to daughter Mary. Revising M.S. of "In an Elephant Corral". Think I will change it little.

Friday 8. Still at Revision work. Mending clothes. Very much amused at Mary's lack of consideration about my money allowances to her. Spent evening at 1515. Came back at 11. P.M. kept awake a long while, thinking of Mary's disingenuousness for me.

Saturday 9. Rose unrefreshed. Went to Germantown, to get a few of my things there in the cities. My back ached much from stooping over the trunks. Had to lie down some in afternoon. Looked over copies of the "African Journal". At 5. o'clock, went to the tailor for my "repaired over-coat". All the 12 seats at table now filled.

Sunday 10! Pleasant spring-like day. Did not wear an over-coat. Very fine sermon of Dr. Carpenter; the Angel leading Peter "through one street, & departed from him". The Steps of Departing Angels. Spent the afternoon, with the religious newspapers at 1615. And, in evening, went to 21st & Chestnut, to a special Service of for William's organ. In the car, on way back, met Dr. Warner. He said he had given up practice of medicine.

Monday 11! My Birthday Anniversary; 74 years old to-day. Weather threatening. Went down into city, to Mannings, for the half-tone print-blocks of the photographs for the Memorial. They were not ready. Went to Guttenberg, for the other two; they also were not ready. Did a great deal of walking. Went to Franklin Natl Bank, to cash a \$50. cheque, but was required to be identified. Went to Witherspoon Building, & my classmate Weidman identified me to Treasurer of the Bd of Pub. In Ministers Meeting, paper by Rev. Dr. McLeod. Retired, very tired. Rested; read; wrote; & slept. Threatening rain.

Tuesday. 12: Bright pleasant morning, but it turned cool in the afternoon. Making a careful Revision of "Where Animals Talk". In evening, rode out, an hour on trolley, to the Germantown Y. M. C. A. to hear Rev. Mr. Higgins the "Sky-talker" of the N. W. Mining Camps: exceedingly interesting. Son William had the singing. Returned by 10.45.

Wed. y. 13: Cold weather. Went to Gutzken's, to see about his impression of the photographs I gave him for the Memorial. Spent the day in re-viewing "Where Animals Talk". In evening, went to Dr. Colfelt's ch. Prayer meeting. It was led by Rev. Mr. Faris. He announced me to the people, & called on me for prayer. On returning, at 9 P.M., found a special delivery letter from Mary, stating that she would be here on Sat'y, on her way to a School at Anniston Alabama! I went to 1515, & found that she had also written to Mrs. C. F. Nason, & would be here on Sat'y noon, to stay 4 days on Sunday.

Thursday 14th } Immediately after breakfast of the 14th
Friday 15th } went to P.R.R. ticket office, to inquire
 about route & train &c, for Mary to go
 to Ansonston. And came back to 1515,
 to tell Bessie. Was pained to find that I was
 expected to break the Sabbath, by making
 a railway journey, to visit Rodnor on
 Sunday afternoon. Wrote to her, telling her
 my wish ~~that~~ she would not. Continued
 revision of "Where Animals Talk".

Oct 15th. After breakfast, went to Allen, to see
 a Scott with corrected proof of the Memorial
 which had come yesterday afternoon.
 Went also to engraver Manning's, to see
 about the half-tone blocks. Also, went
 to Curtis Co. publisher of "Home Journal,"
 to see about their printing my "Where
 Animals Talk". Weather not so cold as
 yesterday. Rain had fallen last night.

Sat. 16th. Cold windy day. Stayed at 1515 almost
 all day, expecting Mary's arrival at any
 time. But, she did not arrive, until
 after 6 P.M. Took supper at 1515; and
 then went to Broad st, to get ticket for her
 to Ansonston. Also, & Pullman, & check baggage.

Philad? (Oct. 1909)

Sunday 17 Suffering to night! my daughter's were carting off of her father! After breakfast, I went to 1515, to take her to church with me. Mrs C. F. Nasson was staying home with sick Katharine. She sent Dorothy with us. Mary was silent all the way both to a poor church; giving me not even the courtesy of a smile or notice of my remarks to comfort her. And, she was very cool to the minister & Mrs, to whom I introduced her in the church. Hearing 1515, I told her ~~that~~, if she wanted to visit Ruden & Wayne, there was plenty of time to do it to-morrow morning; & ~~but~~ I still refused to let her break the Sabbath by going this afternoon, as she had proposed in her letter last week. She was disappointed & dejected. But, as the afternoon passed to 4. P. M., I thought she had yielded to me. And she went out walking with Mrs Nasson & the children. She did not return with them! She had deliberately deceived me, & gone to Wayne! I was so shocked, & felt I would break down; & needed to go to my knees alone, though Mrs Nasson tried to

detain me for supper. I left at once, & went to 1529, & tried to calm myself with the Bible. And, went to church to seek relief. O! the cruelty! Where is the little babe whom I was mother! And, where the daughter, for whose education & accomplishments I have labored myself, & whose every possible wish I have gratified, & whose entire support is still from me. O! her words, "Go your way, & let me take mine!" God pity me; & give her a new heart!

Monday 18 } Race very heavy-hearted. Went down
Tuesday 19 } into the city, to pay Gutkunst; to
Wed. 20 } call at Manning's about the half-tone prints, & to leave the M.S. of "The Animal Talk", at office of "Ladies Home Journal". After my return, Mary called, near noon. She made a lame explanation, attempted to justify herself, made only a slight admission that she had not been treating me respectfully, & claimed that, as she was of age, she was no longer bound to obey me, even though I am

supporting her! Then I told her I would not support her while she was disobedient in what was breaking the 4th commandment. And thus we parted! After all my ^{love} for 25 years, and my patient endurance of her slights during the past 3 years, & my many concessions to her wishes during ~~the~~ time! I would have utterly sunk, but for God's aid. She left, for Alabama. I did not go with her to the Station. She said, "I am living my life, & you yours: and they are different."

I sat in my room reading a prayer. I went, about 3 P.M., to 1515, to see if perhaps she had left some word. I found no one. And then, went to Atlantic City to Gnado. Stayed at the "Fairhaven". On the train, Rev. D. Webster, & Rev. & Mrs. Brown. At table, Rev. D. Swain.

On Sunday. At Gnado, Rev. W. C. Johnston, of Batavia, made a fine address, & I was invited to follow. But many friends in Gnado. I could go to no luncheon being for sympathy, in my

Atlantic City (Oct. 1909) Philada
 parrow. But the love of those men helped
 me. Attended all day.

On Wed. Attended Synod. Was displeased
 with the ingenuities of the Moderator to
 Rev. Dr. Rogan, in his unparliamentary
 decisions. Met Rev. & Mrs. Martyn of
 Hackettstown, & many new friends. A
 photograph taken, & Rev. Dr. Cobb was
 very kind in insisting that I should sit
 in a prominent place. Rev. Dr. Landenbaugh
 inquired after Mary. I took leave
 of absence from afternoon, & returned to
 Philad. Found letters awaiting me,
 and proofs to be corrected from Scott's.
 Sat down at once at the proofs, &
 at answering some of the letters.

Tuesday 31. A raw cold chilly day. Felt very dull &
stiff with my cold. Had to go down to

up, & was not too warm, even with the
exercise of walking up the Mount.
Read some, but did nothing all day.
Taking small medicines for my throat.

Amble (June 1912)

Wed. 1st, I realize more distinctly than I have from any other incident, by my over exertion and exposure of last Sunday, that I am not able to endure all of the work ~~as~~ my energy would invite me to. My cough is still heavy, did very little writing or reading. Felt "grippy". Did not go out doors; too cold. Miss Shoemaker away at the Devon Horse Show. A lady friend of hers came at supper time to see her; but, Miss S. & her sister Harriett did not return until near 9 P.M.

Thursday 2nd, Weather clearer, but still variable; somewhat warmer in afternoon, but not warm enough for me to stay out long. Felt better, & wrote several letters. After supper the 2 Misses Shoemaker & Mrs. Longabough, with the 2 gentlemen, went to the city street ground. When they returned in evening, tomorrow.

Friday 3rd. Had a chill last night, & cough was troublesome.

Wed. 8th

Thursday 9th

Have been sick in bed, & kept no record.
Dr. Shelley was called on Friday, & I
went to see him afternoon with bronchitis.

On Monday 6th, began to feel better.
Daughter Mary came to call on me.
Doctor gave me meat for appetite
and strength. At 8 P.M., profuse cold
sweats, and nausea; which, by 9 P.M.
had become very painful; so Dr. 10.
P.M. Dr. was telephoned for. He ordered
painting with iodine & hot water
bag; would come, if pain continued.
by 11 P.M. it began to diminish; & the
family went to bed.

On the 7th. By 1 A.M. I fell asleep, from
exhaustion. When doctor came about
10 A.M., he diagnosed obstruction in
gall-duct. Again, I took the salt in
the evening, at 7th; & by 8 P.M. the same
pain began to come; but made violent
attempts to vomit, & it ceased. So, I
was assured the difficulty was not
in the gall-duct. But it is true that
my liver was plugged & out of order.

So, on the 8th. medicine was given

for the liver. Also, my temperature, which had been 100°, & which had gone down, returned to 100°. So, had to remain in bed. Much disappointed that I was not getting well faster.

(Omitted to mention that, on Sunday evening, Mr. & Mrs. Eckfeldt kindly called on me.)

On the 9th, Rose, in my dressing-gown for breakfast on my writing-desk. And, by 9. A.M. my liver medicine operated. Then, I rose & dressed, & lay on the lounge in the hall by the east window, for the sunshine. Then came to write up these records.

Friday 19th } Not at all strong, but, with Doctor's
 Sat'y 11th } permission, after breakfast, started in
 Sunday 12th } cab, at 8. A.M. to Station. Mr. Cochran then kindly assisted with my suit-case (I was so weak). Walter saw a cold. On 8.25, to the Terminal. Paid porter to carry suit-case to the car, & rode to Broad St, where I checked it & daughter's umbrella. On tramping to 1515, & from the collar trunk, got my record.

soon, ^{on 11. A.M.} ~~my~~ met me by appointment.
Pickett to Trenton; On trolley to 231
W. State St. Mrs Hamill & Matilde
welcomed Mary, & invited her for the
night. We half left ~~here~~ to catch the
12.40 trolley to Lawrenceville. At once to the
Hamill House, & suit-cases deposited
in my room "22"; daughter taken at
once to the Masters lunch, with ~~me~~
Barrett & Harvey, & I was taken to the
Gymnasium, to Thomas Langmont.
Recognized & greeted with affection:
several came to meet me, Judge Lansing,
& Genl. Davis; met Harlow; reported
myself to Mr. H. W. Egan, & Dr. McPherson;
Genl. Woodhull. The only plate of soup,
& left, being exceedingly tired with the
journey. Rested in my room all
afternoon except when called to the
parlor, to meet Mrs Norton, & ^{cousin?} ~~repose~~
Charles Davis. After I did not go to
any afternoon or evening exercises. Daughter
left, before dark, to go back to Trenton.
I rested all evening, taking my medicine.

Lawrenceville (June 1910)

On the 11th, Rose to breakfast; at table, Harlow,
 Dr. Sutherland, - Messrs Wilson & Mispell of
 Easton, Pa. Rested in my room, not
 going out into the cold, to the Tabernacle
 Memorial, daughter returned from Inglewood.
 With Mr. Rantier, & Mr. Barnett, we
 went about 10.30 to Dr. McPherson's; &
 daughter was shown to the Chapel, &
 I was sent up stairs to put on the
 gown. Walked in procession with Rev. Dr.
 Dixon, in front of Pres. Wilson, & Rev.
 Dr. Vandegriff. Sat on the platform with
 them, & Mr. Green, & Rev. Dr. Peabody, &
 Rev. Dr. McPherson. Was able to remain
 during the almost 2 hours. Then, on way
 to Reception by Dr. & Mrs. McPherson, I
 overtook Pres. Wilson, & asked liberty to
 express my sympathy for him, in the
 attacks made on him during the past
 6 months, as to his administration, &
 to thank him for his dignity & bravery.
 At the Reception, daughter & cousin
 Mary Wood and Matilda; Gert Darr.
 Mrs. & Miss Driggs; Miss Craven; Mrs
 & Miss White; Mr. Baird of Frankfurt, &

wife & child (whose life son Charles Rungary
had saved). Also, Capt. Rueda of Euton;
Mr. Johnston of Lamerville; Mr. Lanning;
George White; Mr. Lelly of Lamberville;
A lady told me of death of Rev. Mr. Finney,
of Williamport, Pa. Left on trolley at
Tranton, I went on at once to Station
while daughter went to 231 for her
suit case. She joined me at
for the 4.16 train to Phila. by 5 P.M.

There, I left her, saying final good-bye,
she for her 5.23 train to Germantown.
And I to Terminal for 5.30 to Ambler.

There Mr. Metz helped me with my suit-
case (I was very tired). Soon, a cab
to this Home before 7. P.M. And I
went at once to bed, exceedingly tired;
but, I do not think my cough any
worse, or any other ail from my
travel. A cup of tea, & hot lemonade
was brought to my bedside. Was not sleepy
but rested well all night.

On the 12th, Rose at 8. A.M., & dressed hurriedly
for breakfast. Feel much better; but my cough
not at all painful, is not free or clear.

Tumbler (June 1910)

The day rainy and dark. Mr. Kelly is away. Mr. Jones went to church. But, I thought best not to venture out. My cough frequent, though without pain, but ineffectual in raising any phlegm. It became trying & exhausting, & I retired early.

Monday 13th. Another cloudy day; I did not go out, but others said the day was warm. At lunch time, both Mrs. Kelly & Jones, & Mrs. Stranahan, & even the maid Elizabeth, all away. But all returned by evening. Much interested in examining & correcting recently issued Lawrenceville School Grad. Catalogue. By 5 P.M. began to feel chill, & sat in parlor near the register. Grippe feeling continued, put on over-coat, & by 6 P.M. at supper almost a chill. I passed away by 8 P.M., entirely, before I retired. During the morning, Dr. Shelly had come & prescribed for my night-pain, & continued (for not painful) cough.

Tuesday 14th. A warm pleasant day, varied with a few clouds. I went out into the sun-shine, for a while; and read a

little, & wrote some, & rested. A long letter
to Miss Greenmore in England. By 5.30
P.M., the creepy feeling which now comes
with some regularity every 24 hours, began
to lay hold of me. I sat in my over-
coat after supper, near the register in
the parlor. Could not go with Messrs
Kelly & Jones, to the Church Reception
for the new Presb. minister Rev. G. J.
Brist. By 9 P.M., all signs of chill
had passed, when I went to bed.

Wed. 15th. Slightly improving, but cough still is
annoying. Re-packing my trunks, for leaving
on Friday. In afternoon, with the pleasant
warm temperature, made a bonfire
out on the grounds of the original M.S.S.
of my "Where Animals Talk", as I have
the later - revised type written copy.
Appetite slightly better; but am sur-
prised that the doctor has not come
to see me since Monday. Felt not
safe to go out at night, to the Church
prayer-meeting. Rain at night.

Thursday 16th. Showing packing, for my departure to-morrow. Early in afternoon, Dr. Shelly came, & changed my medicines, to stop the weakening night-sweats & to give me an appetite. Slightly better, & sat up in the evening, and played dominoes with Miss Shoemaker and Mr. Jones.

 & forth on street cars. Said good-bye
 to daughter. Express men came about
 4 P.M., & I left about 5 P.M. back

 & want to bed early.

Cadwallader at his country seat

on the train very helpful to me. He
surprised me by telling ~~my~~ niece
Belle Gasman was at Woman's
Hospital, operated on Thursday by
son Charles. At Mr. Cadwallader's,
enjoyed the splendid scenery, music
of band, refreshments on lawn, the
more than I had for 2 weeks
previous. Sat in comfortable arm-
chair. Met Genl. Woodhull, Rev. Davis,
Mr. Nixon, Mr. Pierce, & Wyckoff of
Trenton (all Princetonians). Returned

to escape a heavy rain. William wished me to go to Germantown with him; but not convenient, my medicines & baggage being at Florence. Early to bed. Slept well. Heavy rain at night.

On Sunday. The restaurant connected with the hotel closed on Sunday. Went to Childs corner 10¹ & Market. Warm day. Too weak to go to church. Rested all day.

On Monday. To Childs for breakfast. At 8. A.M. paid hotel bill, & porter to take heavy suit-case to Market St car. To Broad St, Porter again with suitcases as I was too weak to carry it. On 8.40 A.M. Pittsburg express; & paid for parlor chair; easy & restful. Sat, & dozed, or looked at beautiful landscapes. Lunch in dining-car. Train on time, 2.22 P.M. at Igoue. Sister Tillie met me, was not as tired as I expected to be. On branch train to Warriorsmark. P.R.R. charged me 70 cts for 2 days storage of my 2 trunks. Walked slowly to the house with sister.

Glad to be there, welcomed by Sara. Sur-
prised by finding I was answered to speak
at a W. E. Convention at Alexandria
on next Thursday. Called up Mr. Ewing,
and decided, being too weak. Professor
also at a letter awaiting answer, in
niece Belle Gasman's hand from Princeton
to daughter Mary in my care here.
There was no expectation of invitation
for Mary to come here with me, I
re-addressed it to her at 1515 Wallace
st. Phil^a. A warm day, I perspiring,
tried to put on my over-coat for the
night air. Chatting with sister Tillie.
Was not as tired as I expected to be.
Mrs Patton called. Retired about 9 P.M.

Tuesday 21st. Was agreeably surprised at the rapidity
of my returning strength. But, I did not
do much. Looked over my suits of
clothing for the summer; wrote memo-
randa; chatted with sister. Did not
go to prayer-meeting in evening, as Mr.
Woodcock was to be absent, & if I
was called on to head, I knew I was not
sufficiently strong

Wednesdays mark (June 1910)

Wed'y 22. Another warm day. Felt stronger. Wrote some letters. Read. Recreated in the garden cutting off the dead rose-seeds. Chatting with sister. Went to post-office for stamps. A healthful fatigue. Retired at 9 P.M.

Thursday 23. A warm day; improving in strength, but head rather light. About 11 A.M. with sister Louie on train to Tyone; to jewellers, to hotel; took dinner; met a Mr. & Mrs. Morris, & their daughter & grand-daughter. Miss Sara Louie came with carrying a little Frances Waite. Rode to Birmingham to Rev. Mr. Woodcock's. Mrs W. & little babe. Missy bands exercised. I addressed ~~the~~; thought not strong, I felt excited, & spoke satisfactorily. A Mrs Ramsay, of the Phil^a. Presb. Deacons Home also spoke. Roads dark, long but interesting ride back through a forest & occasionally has bears. A successful day. Tired, but not exhausted.

Friday 24. Slightly cooler. Examining my diary of 1874, for a beginning of my proposed "My Ogoorie". After supper, Mrs Patton called, & soon also came Mrs Hirtelman & another

lady. After a while we all strolled out
into the park to see a handsome magnolia
in bloom; unfortunately I broke one of its
branches. After they left, we 3 went to
call on Mr. & Mrs Lewis Mattern, who
recently have come from Washington.

Sat. 25th. Weather much cooler. At the diary.
Read & rested, & talking with sister. Did
not go riding with her & Sara in the
afternoon. After supper, the Methodist
minister, Rev. & Mrs Browne called on me,
& Miss Kaitan & an old lady came to
see the splendid magnolia tree; also
little Frances Waite & Ethel —. After
they had all gone, sister & I heard there
was an Entertainment of the Lutherans.
We walked to the church; but, nothing
there. Found it was held in the town
hall. On our way back, I was tired &
left her, to go to the hall alone, & I
came home. Tired, but improving in
health.

Sunday 26th. Went to Meth. church children's day.
Felt strangely weak with shortness
of breath; several times thought I must

Warriorsmark (June 1910)

leave the house. Felt displaced & this strong meth. ch. should try to get away our Presb. children by having several of them on their program. In afternoon, at our own Presb. usual service, with Mr. Woodcock. The strange shortness of breath continued all day. A fine article in "The Pulpitist", by Rev. Dr. Spooner, on the danger to our country from Romanism. Retired early.

Monday 27. Rose with a lame back, & was slow to get up, even at 7. A.M. being still sleepy. Improved as the day passed on. Walked about premises. Write prepare for my proposed "My Ogoon" book, but it will be many months before the M. S. will be completed. In evening "go-bang" play in the parlor with sister & Sara.
